Blackpool Illuminations

Friday 26th to Sunday 28th October 2012

Blackpool Illuminations sees this seaside city of fun still buzzing with excitement and laughter long after other resorts have gone into winter hibernation. At 10 kilometres long and using over one million bulbs the Blackpool Illuminations are an awesome spectacle. The Blackpool Illuminations consist of almost every kind of light display you can imagine: lasers, neon, light bulbs, fibre optics, searchlights and floodlighting.
