**Fall under the spell of this beautiful region of Italy on this fabulous 8 day trip to Tuscany...**

**F**or many, Tuscany embodies the very best of Italy with its classic pastoral landscapes, beautifully preserved medieval architecture, Renaissance art and, of course, it's fine and flavoursome food...

Tuscany's timeless landscape of gentle hills, vineyards, olive groves and cypress trees is dotted with ancient farmhouses and villas. You'll discover atmospheric medieval hill towns, with architecture that is as impressive today as it was hundreds of years before.

Visitors to Tuscany come for many reasons. Many come in search of fine art, others to explore the extraordinary countryside whilst gourmets descend on Tuscany to enjoy the wonderful cuisine and wine. On this fabulous trip to Tuscany, you'll get to explore this beautiful region of Italy and discover the secrets of Italian cooking for yourself at the Mago Bago Cooking School.

Located in the centre of the spa town of Montecatini Terme, the **4\* Hotel Ercolini E Savi** is our base for the duration of our trip. All rooms are ensuite and also offer television with satellite channels, mini bar, a safe and a hairdryer. The hotel offers its own restaurant serving a mouth-watering range of traditional Tuscan dishes and an American bar with terrace.
